
How do I view my Final Exam Schedule using DrexelOne?

1. Access the following URL for **DrexelOne**: <http://one.drexel.edu/>
2. This will take you to **DrexelConnect**.

The screenshot shows a login form titled "Enter your DrexelOne Userid and Password". It contains two input fields: "Userid:" and "Password:". Below the "Userid:" field is a blue link that says "Need to get a DrexelOne account?". Below the "Password:" field is a blue link that says "Need help with your password?". At the bottom of the form is a "Connect" button.

Log in using your primary Drexel University username and password:

- Your DrexelOne *Userid* is the same as your Drexel Computer Account. Usually this is your initials followed by two or three digits (for example, abc12).
- Your DrexelOne *Password* is your email password.

If you have not picked up your Drexel computer account, click the "[Need to get a DrexelOne account?](#)" link under *Userid*. You will receive the information you need for your DrexelOne access, as well as other Drexel account related information. After you have activated your account, please return to [DrexelOne](#).

- Once you are logged in you will see the following page. Click on the *Students* tab.

- To view your schedule in detail format, within *Registration*, select "Student Detail Schedule."

- When the schedule loads, if you have a final exam for a particular course, a new line will be added with the schedule information.
